Background

- A The Seller is the registered holder of all of the Shares.
- B The Administrator was appointed administrator of the Seller and of the Company on 17 September 2001 pursuant to an order of the Federal Court, following the initial appointment of administrators on 12 September 2001.
- C The Administrator has proposed and recommended a deed of company arrangement in respect of the Company (DOCA) if the Seller agrees to hold the Trust Monies and the Excluded Assets on trust for the creditors of the Company on the terms of the Westsky Trust. The DOCA was executed on 15 February 2002 and, amongst other things, releases and extinguishes all Pre-Administration Claims against the Company.
- D On 13 December 2001, the Seller accepted the Buyer's offer to buy the Shares, subject to the terms and conditions of an offer letter from the Buyer to the Seller dated 10 December 2001 as well as the additional terms and conditions set out in the Seller's acceptance dated 13 December 2001. This agreement replaces those two letters.
- E The Seller has agreed to sell and the Buyer has agreed to purchase the Shares on the terms and conditions set out in this agreement.
